We opened our first store in Paso Robles, California, to offer guests the opportunity to **Discover** the wonderfully fresh, healthy, and delicious Extra Virgin Olive Oil produced by California's finest artisan growers. Today, we remain true to that passion, committed to providing extraordinary **Certified** Extra Virgin Olive Oils that span a wide range of flavor possibilities – an oil for every palette and culinary use.

We invite you to share this timeless pleasure with your clients, colleagues and friends. In addition to our fine Extra Virgin Olive Oils, we carry hand-crafted tapenades, mustards, balsamic vinegars and other gourmet goods that enhance the rich culinary experience olive oil awakens.
